Sir:

Applicant responds as follows to the Office Action dated August 1, 2001 in detail as follows:

**REMARKS**

Applicant has reviewed and considered the office action, dated August 1, 2001, and the references cited therewith. Claims 1-45 are pending in the application and were rejected under 35 U.S.C. § 103(a). All the rejections are traversed and reconsideration is respectfully requested. No amendments to the claims have been entered herein.

Detailed responses to the rejections follow:

Applicant believes that the nonpatent references were received by the Patent Office, as evidenced by a return post card from the Patent Office, dated Feb. 5, 2001. However, applicant has resubmitted the references for consideration by the Examiner prior to the next official action.
